

*Green Andruschuk Chartered Accountants
Family Award
Loop The Lake 2016*

*This award is given each year to the family with the most paid participants in the race.
(all categories combined)*

One of our initial goals for the race was that it should become a time for families to train, register for this event, and spend the day together. We hope to encourage more families to join us.

Please fill in the sections below and give to a race official, either at the registration area before the race or at the race itself. We ask that you only include those people who are related by blood or a marriage type relationship. A plaque will be engraved with your family name and kept each year by the Rotary club.
